

Urban Aspirations in Seoul (The Seoul Lab)

The 2nd Team Workshop

December 17-18, 2012

RILCA, Mahidol University, Thailand

The Seoul Lab workshop aims to share preliminary findings and future plans among the researchers, and further to make important decisions relating to the forthcoming international conference (June 26-7, 2013, Seoul).

Project presentation (70 min/person)

- Each researcher will have 25-30 minutes for presenting what s/he has done for the first year and what will do in the following years. Open discussion will be followed.
